_____ Public Schools

Teacher's Name_____**School/Grade**_____

Identify by name and language, those students who speak a language other than English in their homes. Please submit this form even if you do not have any of the above students. Rate the English language ability of the students you identify. Dialects should be identified. Do not write "Indian" or Chinese, for example.

Male/ female	Name of Student	Native Language	English Status

Teacher rating of student's English language proficiency:

1. **Has no knowledge of English**
2. **Understands and/or speaks some English**
3. **Can read and write some English (grade appropriate)**
4. **Speaks, reads and writes English at grade level.**
